

# K3000 V12Web License Installation

Place the DVD into the computer.  
There are three different install options.

## Select the Web Licensing Software.

You may need Administrator privilege.

1. Place the Kurzweil 3000 DVD in the computer's DVD drive.
2. In the Master Installation dialog, select **Web Licensing Software**
3. Select Install Web Licensing.
4. Follow the prompts to finish installing the software
5. During installation, the Guest Login Account dialog appears. Skip to continue with the installation.
6. Restart if prompted to do so.

You are ready to log in to and use Kurzweil 3000 Web

License Edition. When you open the Kurzweil  software on your computer it will prompt for your user name and password. Use the user name and password your administrator provided.

You can also choose to use **Kurzweil 3000 Color Professional OR LearnStation 12.0**

**NOTE:** Most districts have more Learn Station Licenses than Color Professional. Unless you plan to **SCAN** or **VIRTUAL PRINT** it is suggested you choose the LearnStation.

# Kurzweil 3000 for Windows Patch 12.04

May 13, 2011

The screenshot shows the Kurzweil Educational Systems website. At the top left is the logo and name 'Kurzweil EDUCATIONAL SYSTEMS', with the tagline 'A Cambium Learning Technologies Company'. In the center is a red-bordered box with 'Kurzweiledu.com'. To the right are social media icons for Facebook, Twitter, and YouTube. Below the header is a navigation bar with 'Kurzweil 3000 Version 12 | Kurzweil 3000 | Kurzweil 1000'. The main content area is divided into three columns. The left column is a green sidebar with links: 'General Research', 'Educational Resources', 'Video Gallery', 'Customer Testimonials', 'Request A Trial', 'Request a Catalog > Request by Mail > Download', 'Implementation Services > Workshop Schedule > Webinars > Workshop Themes', 'Conferences', and 'Contact Sales'. The center column features a 'Limited Time Offer!' banner with an image of two students looking at a laptop. The text says: 'Purchase any Kurzweil 3000 Learning Lab Pack and get a LearnStation FREE!' with a 'Learn More' button. Below this is a section titled 'Kurzweil Educational Systems® Assistive technology for the nation's most challenged students' with a red arrow pointing to the 'Patches and Updates' link in the sidebar. The text describes Kurzweil as a leader in assistive technology, serving students with dyslexia, attention deficit disorder, or those who are English Language Learners (ELL). The right column is a light blue sidebar titled 'PROGRAM RESOURCES' with links: 'Version 12 Video Overview', 'Windows Version 12 Flyer', 'Windows Version 12 Web License Flyer', 'Windows Version 12 USB Flyer', 'Documentation Downloads', 'How To Videos', 'Patches and Updates', 'Version 12 System Requirements', 'Version 12 Pricing', and 'License Key Request'.

## Kurzweil 3000 for Windows Patch 12.04

May 13, 2011

The third patch for Kurzweil 3000 for Windows Version 12 is now available. (Note that Patch 12.03 is a Dutch/French release.) You may either download the executable file ([http://download.kurzweiledu.com/downloads/110513\\_K3000\\_patch12.04.zip](http://download.kurzweiledu.com/downloads/110513_K3000_patch12.04.zip)), or use Online>Update feature of the software. You will need to exit Kurzweil 3000 and have administrative privileges on the computer receiving the update. This patch is cumulative; you do not need to install 12.01 or 12.02, but you do need Version 12.0 installed.

Major fixes and changes included in Patch 12.04:

- Updated Help - All Editions
- Update for Firefox 4 and Internet Explorer 9 - All Editions
- Fix to Gutenberg link - All Editions
- Uploader for web-based Universal Library allows batch uploads - Web License Edition ONLY

[Click here to read the Release Notes for 12.04](#)

After the installation there are some additional items on the CD.

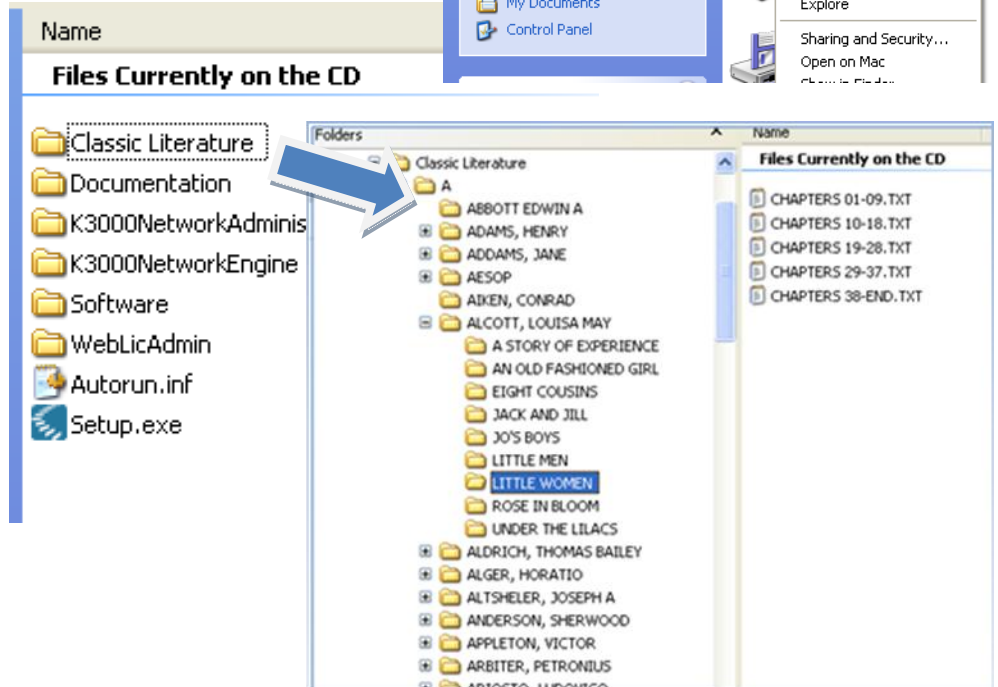

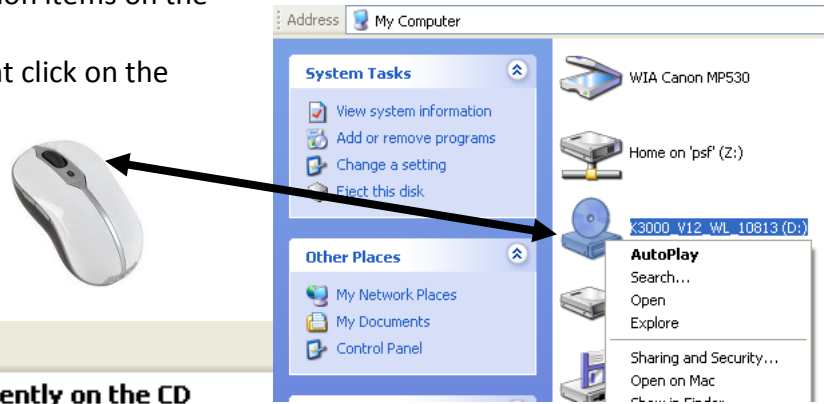

Go to My Computer: using the mouse, right click on the Kurzweil V12 WL CD under **My Computer**-

Select **Open**

You find many additional files.

In the folder titled **Classic Literature** there are 4800 files with classic literature that is out of copyright and found in the public domain.

Here you will find many, many of the great works that can be opened and read out loud in Kurzweil.

The User's Manual is also on the CD.
